

SEX OFFENDER TREATMENT BOARD

POLICY NO. 9

INDIVIDUAL THERAPY

The Sex Offender Treatment Board recognizes the importance of individual therapy in addition to group therapy in the course of sex offender treatment. Individual therapy, if utilized, should be a part of the offender's treatment plan and in accordance with the offender's risk management. While, this is considered as sometimes necessary in the course of treatment, the Sex Offender Treatment Board has adopted a weekly group model of sex offender treatment and therefore, reimbursement to the fund will not be approved.
